**TWO PAPERS PREPARED BY DR. L. B. LEACHMAN**

During the meeting of the Task Group in April, Bob Leachman asked for comments on two papers he had prepared. Later he stated he was revising one of them and requested that any distribution be delayed until a new version was available. These papers are provided for your information and any comments you may wish to make.

*Dr Foster: I got comments from Mrs Graham, Goldstein  
Bran and Stanley to send to Joe Leach & McCraw  
on this paper, i.e., the "Possible Negatives..."  
paper. You might like a copy of the revised  
draft which differs somewhat from that first  
given you. Bill Schroebel 5/10/73*
